

What's it like to be a Christian? Being a Christian is like being a pumpkin...

[Author and source unknown] A lady had recently been baptized. One of her co-workers asked her what it was like to be a Christian. She was caught off guard and didn't know how to answer, but when she looked up she saw a Jack-o-lantern on the desk and answered: "It's like being a pumpkin."

The co-worker asked her to explain that one.

"Well, God picks you from the patch and brings you in and washes off all the dirt on the outside that you got from being around all the other pumpkins. Then He cuts off the top and takes all the yucky stuff out from inside. He removes all those seeds of doubt, hate, greed, etc. Then he carves you a new smiling face and puts his light inside of you to shine for all to see. It is our choice to either stay outside and rot on the vine or come inside and become something new and bright."

(I'll never look at a pumpkin the same way again.)

... It's your choice.

We all will live forever. The question is, "**Where?**" Jesus said, "You must be born again" and that He will make you a "new creation." Whatever you were, you can have a new start toward a new end. Then he said that we were to let our light shine.

For Halloween, I'm not going to debate the history, theology, or philosophy surrounding Halloween. I'm just going to ask you not to do risky, stupid things for Halloween, and wish you a *fun* and *safe* Halloween. —

The record for a person being covered by bees--and living to tell about it--is held by bee-keeper Jed Shaner, who had 80 pounds of them on his body. He says that his feat was sponsored by "a police group that helps teens at risk." - I'm sure glad that Mr. Shaner is discouraging people from indulging in risky behavior! Do you do risky behaviors, like: not LIVING the Christian life, not attending church and worshipping OFTEN, (and do I really need to say these?...) **'just a couple beers,' "safe" sex** (is risky sex), **careless driving, ..., ...?**
